COMPANY PROFILE

# INTRODUCTION

Chemoro Industries Limited is a leading chemical manufacturing company specializing in the production of Chlorinated Paraffin Wax (CPW), Hydrochloric Acid (HCL), and Sodium Hypochlorite. Established with a vision to set new standards in the chemical manufacturing industry, Chemoro Industries Limited is committed to delivering high-quality products through innovative and sustainable practices.

**45+**

## PRODUCT GRADES

High-Quality CPW Grades with Advanced Technology and Unmatched Purity.

**675+**

## GLOBAL CLIENTS

675+ Satisfied Clients Trusting Chemoro Industries for Premium CPW Grades.

# OUR LEADERSHIP TEAM

Our Leadership Team: Driving Innovation and Excellence

**Vaishnavi Yadav**

*COO, Director*

Chemical Engineer with extensive industry experience, ensuring efficient operations.

**Sanket Patel**

*Managing Director*

Established and managed four industries since 2002, leading Chemoro Industries' growth.

**Narendra Patel**

*Group Chairman*

Founder and Chairman of NKP Group, guiding sustainable growth with strategic vision.

**Anuj Patel**

*Executive Director*

Expert in domestic and international trade, vital for financial growth and expansion.

**Kashyap Parejiya**

*CEO, Director*

Experienced in ceramic manufacturing and international trade, guiding strategic direction.

COMPANY PROFILE

# PRODUCTS

---

**CHEMOCHLOR**  
(Chlorinated Paraffin)

Enhancing durability and flexibility across industries.

**Hydrochloric acid**

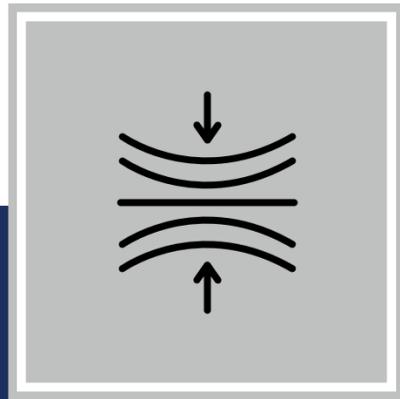

Essential for industrial processes and water treatment.

**Sodium hypochlorite**

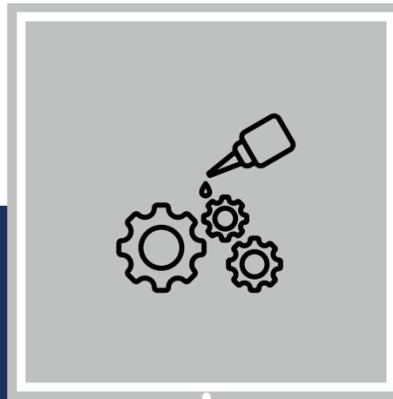

Powerful disinfection and sanitation solutions.

# KEY APPLICATIONS OF CHEMOCHLOR (Chlorinated Paraffin)

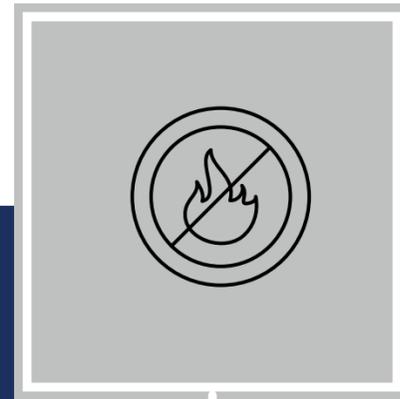

## PLASTICIZERS FOR PVC

Enhancing flexibility and durability in PVC products.

## LUBRICANT ADDITIVE

Improving viscosity and thermal stability in metalworking fluids.

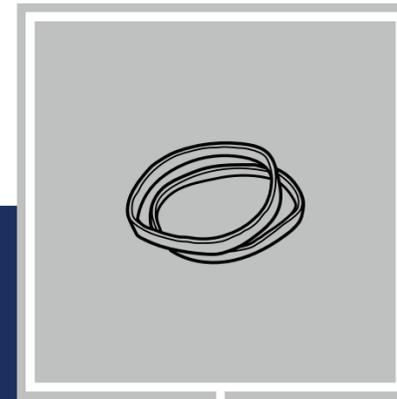

## FLAME RETARDANT

Providing fire resistance in paints, coatings, and textiles.

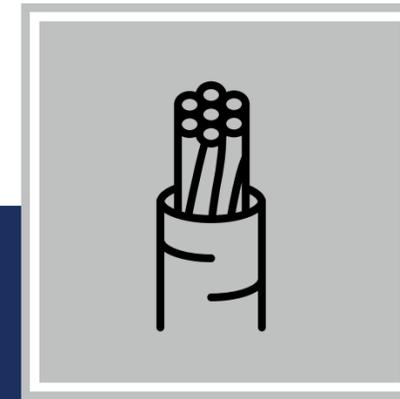

## ADHESIVE ENHANCER

Strengthening bonds in hot melt adhesives.

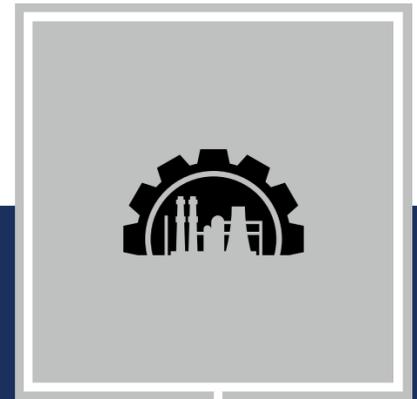

## RUBBER PROCESSING AID

Improving processing and performance in rubber compounds.

## WIRE & CABLES

Enhancing flexibility, flame resistance, and high cell resistivity in wire and cable.

## PAINT & TEXTILE

Superior durability and flame protection for paints and textiles.

CHEMORO'S

# QUALITY ASSURANCE

Quality is not just a process, it is a culture. From raw material selection to final product dispatch, our operations are guided by stringent quality standards that ensure consistent, safe, and high-performance outputs.

## 01 Zero-Compromise Policy

Every batch undergoes thorough inspection to meet or exceed customer expectations.

## 02 Quality Management

Integrated systems ensure cross-functional accountability at every production stage.

## 03 Regulatory Compliance

We adhere to global standards including ISO 9001:2015, ensuring international quality benchmarks.

## 04 In-House Testing Lab

Equipped with advanced instruments and supervised by expert chemists

COMPANY PROFILE

# CORPORATE SOCIAL RESPONSIBILITY

---

At Chemoro Industries Limited, we recognize our responsibility to contribute positively to society and the environment. Our CSR initiatives focus on.

## Environmental Stewardship

Implementing eco-friendly practices to minimize our carbon footprint and reduce waste.

## Community Engagement

Supporting local communities through education, health, and social welfare programs.

## Ethical Business Practices

Upholding transparency, integrity, and fairness in all our operations and relationships.

## Employee Welfare

Ensuring a safe, inclusive workplace and promoting professional development and well-being among our employees.
